DHING COLLEGE

(With application form for Admission)

Dhing :: Nagaon :: Assam, Pin: 782123

Website: www.dhingcollege.in

Dr. Biman Hazarika
Principal,
Dhing College

Principal's Desk

Dear students! As we step into a new academic year, I am delighted to welcome all the prospective and deserving students to Dhing College, an institution of academic and administrative excellence. It is amongst one of the finest Colleges affiliated to the Gauhati University. Since its inception in 1965, the College has been imparting quality education to young men and women of the greater Dhing area and the whole state of Assam. The College is fortunate to be backed by a team of highly dedicated, talented and committed faculty members who always endeavor to make substantial contribution to the academia through quality teaching, counselling, video conferencing etc. in a very amiable and conducive environment. The supporting staff and most importantly the students enrolled here every session have made our College a beautiful place to work and learn.

Our College is well known for its holistic education. Being an affiliated College of the Gauhati University, the institution sincerely follows and executes the syllabi of the University in all streams. UGC Recognized our College under 2(F) & 12(B). As a measure to enhance skilled human resources, present Principal has played the lead role in introducing a few innovative employment- generating courses approved by PMKVM. The College has been awarded with DBT Star College & Advanced Biotech Hub under DST, Govt. of India. Besides this there are a good number of UGC-sponsored Vocational, Study Center of KKHSOU Skill Based Courses & Online Courses like Swayam, MOOC, Internshala, etc. to impart higher education for human resource development. Our results have been time-tested over the years. The College has active wings of NCC, NSS & BSW and various Academic Cells. The College is running with 50 KVA Solar Power Plant (Off Grid & On Grid) since 2012.

The symbiotic relationship between the students and teachers fine-tuned with the parental support and College administration has made this Institution a worthy place for acquiring necessary knowledge and skills to face the challenges of life posed by globalization, technology and changing values and attitudes with the introduction of New Education Policy 2020.

Our commitment is to provide a safe and intellectually challenging environment to all that will empower students to become innovative thinkers and creative problem solvers. We always put emphasis on instilling confidence and independence to help our students to act and react in real life situations. We aim to enthuse and challenge staff and students to be inventive and imaginative in their learning and day to day tasks. The teaching and learning activities in the College are conducted in an atmosphere of zero tolerance for ragging and other ills. A graduate of our College is a transformed individual ready to undertake the responsibilities of his/her own life along with cultured social responsibilities for others.

We believe, 'We cannot always build the future of our youth, but we can build our youth for the future.' We do assure that the students of all kinds always have proper guidance here at our College to become complete men and women. Let all the aspiring students visit and seek admission at Dhing College. Let's conduct ourselves to make not only Dhing College but the world a suitable place to work and live in. I would like to end with the words of Martin Luther King, 'Education is the passport to the future, for tomorrow belongs to those who prepare for it today. The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education.'

VISION

ACADEMIC ATMOSPHERE: -As mentioned earlier, the basic objective of the College is to provide first degree education in all permitted branches of studies and prepare students as responsible citizens. We are offering under graduate education with an eye on the competitive national and global scenario. The education system has to keep pace with the challenges of modern civilization in the fields of commerce, science & technology and improved methods of communication and revolutionary ideas in the field of Humanities.

For all these we require a sustained healthy atmosphere & self-motivation. To achieve that goal, we are committed to encourage and award —

- a) The students securing highest marks in different subjects,
- b) The most regular and punctual students,
- c) The students showing outstanding results in College and University final examinations,
- d) The promising students in the field of Quiz, debate, sports, Yoga Exercises and various cultural activities.

All those students who are found to have possessed great potentialities for academic or any other co-curricular activities will be encouraged and patronized to achieve high level of success.

BRIEF HISTORY

Dhing College founded in 1965, is affiliated to Gauhati University for Arts, Science & Commerce Streams. In the year 1965, a group of socially responsible and committed individuals with the generous help of the people of greater Dhing area strives hard and with a purpose to start a College at Dhing. They aimed at empowering the people of North-West part of Nagaon district providing the students to access higher education which has already transformed the educationally, economically and socially backward people so far deprived of getting higher education. The perseverance and sweat of the common men and the right and timely initiatives of their socially committed leaders have given Dhing its distinct place in the field of higher education and learning.

The College that began with a few students and fewer than ten teachers in a small house is now located on a seventy five - bigha area of sprawling two campuses in a serene atmosphere. The College came under 2(f) of UGC in 1971. In 1975, this institution of the common men was brought under the deficit grants-in-aid system by the Govt. of Assam. Since then, the College has grown from strength to strength. Science stream which was introduced in 1987 and thus, accessibility to higher education in Science became a reality. The poor but meritorious and disadvantaged students of this backward area tasted the advantage of Science education that opened up vast possibilities for pursuing advanced science & technology courses for bettering their own career and in terms of making their place economically and socially advanced. After eleven years of academic journey through financial constraints and other hurdles, the Science stream brought under the deficit grants-in-aid system in 1998. Late Digen Ch. Bora, the Ex. Minister of Govt. of Assam worked with a purpose and tremendous sense of commitment to help spreading Science education by his all-out standing efforts. The entire fraternity of Dhing College including the successive Governing Bodies have worked hard consistently to make Dhing College a centre of excellence of higher secondary and tertiary education.

The third academic stream Commerce was introduced in 2016. Today, Dhing College is a three-stream Institution delivering quality education and social services to the entire locality. The College established in 1965 has grown up into a complete institution through fifty-six years of journey full of hardship, struggle, success and commitment. The Golden Jubilee celebrated in 2015 epitomized the meaningful existence of this institution.

The College has adequate infrastructure for conducting regular academic activities; and also, it has quality facilities for games & sports activities. A well-equipped library with digitalization and online Journals is available for learners during the working days. The College has its own solar plant for its energy requirements for the last eleven years.

In 2023, the College was awarded with B+ Grade by NAAC in its III Cycle. The teaching as well as non-teaching staff with their complete dedication to the cause of quality education in Dhing College inspired by the hard-working nature and dynamic leadership of the Principal, Dr Biman Hazarika, who has been working with a missionary zeal to make Dhing College an institution of national repute since 2020. With the grants received from the UGC, RUSA and State Govt., it has been possible to construct a first class aesthetic infrastructure to inspire and motivate students to achieve their cherished goals.

As the future of the College depends on its present, we the College fraternity with the active support and good will of people cutting across all sections of society are committed to creating and maintaining high quality academic atmosphere in real time situations. Dr. Abdul Kalam said, Education is the most powerful weapon which can use to change the world. Late Jawaharlal Nehru, the first Prime Minister of India rightly reiterated its significance. We must move on as per the NEP-2020 guidelines with new vision and mission to be cherished in due course of time.

1. GOALS AND OBJECTIVES

To impart higher education in Humanities, Science, Vocational and Skill subjects and to qualify the students for their first Degree and PG courses in all streams. To prepare the students for self-employment by providing necessary training so that they can make use of their training in real life.

To equip them with extension activities at social education and social welfare for a meaningful future and to prepare them for career opportunities in a competitive world. To develop their spirit of patriotism, dedication and prepare them for responsible citizenship and making them eligible for the challenging modern civilization is an implicit object of the College.

The college authority is fully committed to build this an ever-illuminating centre of higher education.

20. N.C.C.

The NCC is one of the premier youth organizations in our country, contributed in propagating national unity and integrity amongst the youth. Its role in instilling the values of character, discipline and hard work in the youth along with shaping them into dynamic and responsible citizens of the country has been well recognized. Thus, NCC has played an important role in the all-round development of the youth of our country and in grooming future leaders in all fields. The well-designed curriculum of NCC consisting of both theory and practical classes relating to the Military and Non-military subjects, adventure training, cultural and social activities etc. is of immense value to the NCC cadets both boys and girls.

Keeping all these positive things in view, the NCC unit of Dhing College was established under the 8 Assam Battalion NCC, Nagaon many years ago.

At present, Mr. Puranda Gogoi has been serving the unit with the rank as CTO. The Dhing College NCC unit has total strength of 50 cadets combining both boys and girls. Our College has good reputation in 8 Assam BN. NCC as several cadets have participated in different All India level as well as State level camps including Republic Day camp. Locally our cadets have regularly participated in the centrally organized Republic Day and Independence Day celebration at Dhing Revenue Circle Office Campus.

21. N.S.S. Unit

The National Service Scheme (NSS) is an Indian Government sponsored public service programme conducted by the Ministry of Youth Affairs and Sports of the Government of India. The scheme was launched in Gandhiji's Centenary Year 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges and Universities working for the betterment of the community people. The Programme aims to instil the idea of social welfare in students and to provide service to society without any sense of biasness. NSS volunteers work to ensure that every one who is needy gets help to enhance their standard of living and leading a life of dignity. In doing so volunteers learn from people in villages how to lead a good life despite scarcity of resources. It also provides help to the victims of natural and man-made disasters by providing food, clothing and first aid. Dhing College NSS Unit also been doing remarkable work for the needy people. The present Programme Officer (PO) of Dhing College NSS Unit, Dr. Mukut Moni Saikia, invites all the aspirant students to join the same.

22. BHARAT SCOUTS & GUIDES (B.S.G.)

The College opened Bharat Scout & Guides wing in 2002-2003. Two teachers are professionally trained and they are in charge of Bharat Scouts & Guides Unit of the College. As per rules, all students of this College are compulsorily members of this Social Service wing of the College.

23. STUDENTS' UNION:

Dhing College Students' Union Society (D.C.S.U.) is the general body of students of the College and all the students are members of the Union. Office-Bearers are elected annually as per the constitution of the Union. The Dhing College Students' Union at present has 14 (fourteen) portfolios. The students seeking to contest the Union Election must attend minimum of 75% classes held till the date of notification of the Election.

24. POOR FUND

The Dhing College Students' Union has Poor Fund facility. Generally, the financially weak students are provided with some financial assistance from this Fund at the time of form fill-up for Council and University Examinations.

25. RATNAKANTA BARKAKATI CENTRAL LIBRARY

The College has a well-equipped and well-furnished library. All the enrolled students have the right to use the library books and journals.
