PRINCIPAL'S DESK

Dear students! As we step into a new academic year, I am delighted to welcome all the prospective and deserving students to Dhing College, an institution of academic and administrative excellence. It is amongst one of the finest Colleges affiliated to the Gauhati University. Since its inception in 1965, the College has been imparting quality education to young men and women of the greater Dhing area and the whole state of Assam. The College is fortunate to be backed by a team of highly dedicated, talented and committed faculty members who always endeavor to make substantial contribution to the academia through quality teaching, counselling, video conferencing etc. in a very amiable and conducive environment. The supporting staff and most importantly the students enrolled here every session have made our College a beautiful place to work and learn.

Our College is well known for its holistic education. Being an affiliated College of the Gauhati University, the institution sincerely follows and executes the syllabi of the University in all streams. UGC Recognized our College under 2(F) & 12(B). As a measure to enhance skilled human resources, the College has introduced a few innovative employment- generating courses approved by PMKVY. The College has been awarded with DBT Star College & Advanced Biotech Hub under DST, Govt. of India. Besides these, there are a good number of UGC-sponsored Vocational Courses, Study Center of KKHSOU, and other Skill based & Online Courses like Swayam, MOOC, Internshala, etc. to impart higher education for human resource development. Our results have been time-tested over the years. The College has active wings of NCC, NSS & BSW and various Academic Cells. The College is running with 50 KVA Solar Power Plant (Off Grid & On Grid) since 2012.

The symbiotic relationship between the students and teachers fine-tuned with the parental support and College administration has made this Institution a worthy place for acquiring necessary knowledge and skills to face the challenges of life posed by globalization, technology and changing values and attitudes.

Our commitment is to provide a safe and intellectually challenging environment to all that will empower students to become innovative thinkers and creative problem solvers. We always put emphasis on instilling confidence and independence to help our students to act and react in real life situations. We aim to enthuse and challenge staff and students to be inventive and imaginative in their learning and day to day tasks. The teaching and learning activities in the College are conducted in an atmosphere of zero tolerance for ragging and other ills. A graduate of our College is a transformed individual ready to undertake the responsibilities of his/her own life along with cultured social responsibilities for others.

We believe, 'We cannot always build the future of our youth, but we can build our youth for the future'. We do assure that the students of all kinds always have proper guidance here at our College to become complete men and women. Let all the aspiring students visit and seek admission at Dhing College. Let's conduct ourselves to make not only Dhing College but the world a suitable place to work and live in. I would like to end with the words of Martin Luther King, 'Education is the passport to the future, for tomorrow belongs to those who prepare for it today. The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education.

PROFILE OF THE COLLEGE

Dhing College established in 1965, is affiliated to Gauhati University for Arts, Science & Commerce Streams. In the year 1965, a group of socially responsible and committed individuals with the generous help of the people of greater Dhing area strives hard with a purpose to start a College at Dhing. They aimed at empowering the people of North-West part of Nagaon district facilitating the students to access into Higher Education which has already transformed the educationally, economically and socially backward people so far deprived of getting higher education. The perseverance and sweat of the common men and the right and timely initiatives of their socially committed leaders have given Dhing its distinct place in the field of higher education and learning.

The College that began with a few students and fewer than ten teachers in a small house is now located on a seventy five - bigha area of sprawling two campuses in a serene atmosphere. The College came under 2(f) of UGC in 1971. In 1975, this institution of the common men was brought under the deficit grants-in-aid system by the Govt. of Assam. Since then, the College has grown up step by step. Introduction of Science Stream 1987 makes the accessibility to higher education in Science a reality. The poor but meritorious and disadvantaged students of this backward area tasted the advantage of Science education that opened up vast possibilities for pursuing advanced science & technology courses for bettering their own career and in terms of making their place economically and socially advanced. After eleven years of academic journey through financial constraints and other hurdles, the Science stream was brought under the deficit grants-in-aid system in 1998. Late Digen Ch. Bora, the Ex. Minister of Govt. of Assam worked with a purpose and tremendous sense of commitment to help spreading Science education by his all-out standing efforts. The entire fraternity of Dhing College including the successive Governing Bodies have worked hard consistently to make Dhing College a centre of excellence of higher secondary and tertiary education.

The third academic stream Commerce was introduced in 2016. Today, Dhing College is a three-stream Institution delivering quality education and social services to the entire locality. The College established in 1965 has grown up into a complete institution through sixty years of journey full of hardship, struggle, success and commitment. The Golden Jubilee, celebrated in 2015, epitomized the meaningful existence of this institution.

The College has adequate infrastructure for conducting regular academic activities; and also, it has quality facilities for games & sports activities. A well-equipped library with digitalization and online Journals is available for learners during the working days. The College has its own solar plant for its energy requirements for the last fifteen years.

In 2023, the College was awarded with B+ Grade by NAAC in its III Cycle. Under the dynamic leadership of the Principal, the teaching as well as non-teaching staff with their complete dedication to the cause of quality education has been working with a missionary zeal to make Dhing College an institution of national repute. The grants received from the UGC, RUSA and State Govt. have made it possible to construct a first class aesthetic infrastructure to inspire and motivate students to achieve their cherished goals.

As the future of the College depends on its present, the College fraternity with the active support and good will of people cutting across all sections of society is committed to creating and maintaining high quality academic atmosphere in real time situations. Dr. Abdul Kalam said, **Education is the most powerful weapon which can use to change the world.** Late Jawaharlal Nehru, the first Prime Minister of India rightly reiterated its significance.

We must move on as per the NEP-2020 guidelines with new vision and mission to be cherished in due course of time.

- Mr. Ashok Kr. Pareek : Co-ordinator (Commerce)

◆ RED RIBBON CLUB

The Red Ribbon Club is a unit under the Assam AIDS Control Society that is working in this institution for the physical and mental wellness of the students. Actually, it is a movement started by the Government of India in schools and colleges through which, students will spread awareness of HIV/AIDS. The program organized by RRC addresses the knowledge, attitude, and behavior of youths in the interrelated areas of Voluntary Blood Donation, Health Awareness Camps, HIV awareness, etc. as demanded by their age, environment, and lifestyle. The main motto of the RRC is 'Prevention is better than cure'. As a part of creating awareness the RRC, Dhing College unit has been organizing some programmes relating to the aims and objective of the club time to time.

- Dr. Ujjayanta Das, Associate Professor, Department of Zoology : Co-ordinator

◆ ECO CLUB

Eco-Club is initiated by the Ministry of Environment, Forests and Climate Change (MoEFCC), Govt. of India as a project named National Green Corps (NGC) for creating environmental awareness. Launched in 2001-02, it aims at building cadres of young children working towards environmental conservation and sustainable development. Recently, MoEFCC, Govt. of India launched and widened the extent this club to include 100 colleges in every state. In Assam, this Eco Club is supported by Assam Science Technology and Environment Council (ASTEC) as a Nodal Agency. Among 100 colleges of Assam, Dhing College is one of them and has been working incessantly towards the betterment of the environment.

- Dr. Sanjeeb Kr. Nath, Associate Professor, Department of Botany : Co-ordinator

◆ STUDENTS' UNION

Dhing College Students' Union (D.C.S.U.) is the general body of students of the College and all the students are members of the Union. Office-Bearers are elected annually as per the constitution of the Union. The Dhing College Students' Union at present has 14 (fourteen) portfolios. The students seeking to contest the Union Election must attend minimum of 75% classes held till the date of notification of the Election.

STUDENTS' FACILITIES

Dhing College administration always feels delight to provide maximum possible facilities to its students. Following are the various possible facilities provided by the College to the students : —

◆ HOSTEL

Hostel accommodation is available for both boys and girls. For admission into the hostel a student has to apply in a prescribed form available in the College office. Admission to Hostel is given after getting admission into the College. A notice is displayed in the College Notice Board and website for admission into Hostels. Students seeking hostel accommodation are selected on the basis of merit and distance subject to the availability of seats. There is a separate set of rules for hostel.

◆ RATNAKANTA BARKAKATI CENTRAL LIBRARY

The College has a well-equipped and well-furnished library. All the enrolled students have the right to use the library books and journals. Students of H.S. and TDC (general) classes can borrow 2 (two) books for 15 (fifteen) days. TDC students having Major can borrow 4 (four) books at a time. Penalty @ 50 p. per day shall be charged for every book kept beyond the stipulated date of return. Students should return the Library books before the declaration of the results of the Test/Annual examinations failing which their results will be withheld. Today, the College has 97,000+ of e-books, 6000+ e-journal, 15,074 books and 23 journals in its depository. Recently, a Teacher-Employee Writer Cell dedicated to the memory of Pradip Saikia, the founder Principal of Dhing College & noted writer, is established in the Central Library.

◆ DBT SPONSORED ADVANCED INSTITUTIONAL LEVEL BIOTECH HUB

The Institutional Level Biotech Hub (IBTHub), Dhing College is an initiative of Department of Biotechnology, Govt. of India with a view to promoting research & Training in human resource development in the North-Eastern Region particularly in the areas of Biotechnology. It provides hands-on training to students. Teachers and research workers help and encourage the students to pursue research in frontier areas of biotechnology. Modern biology is one of the mandates of the hub. The Hub is well furnished and equipped with laboratory tools for practical classes in HS /UG students in biological Sciences under able guidance by the Principal Investigator, Dr. Sanjeeb Kr. Nath & other Research personals of the hub. The vision & mission of the IBT Hub is to produce human resources, personalized to drive innovation in biotechnology chiefly in areas of new opportunity and to fill talent gap in deficient areas.

◆ CLASS ROOMS AND LABORATORIES

The College has adequate number of well furnished and well spacious class rooms to run the various academic programmes. Some class rooms are ICT enabled to facilitate and improved teaching learning environment to both the faculty and the students. It has well equipped laboratories attached to the departments to carry out the curriculum involved practical works.

◆ POOR FUND

The Dhing College Students' Union has Poor Fund facility. Generally, the financially weak students are provided with some financial assistance from this Fund at the time of form fill-up for Council and University Examinations.

◆ NATIONAL CADET CORPSE (N.C.C.)

The NCC is one of the premier youth organizations in our country, contributed in propagating national unity and integrity amongst the youth. Its role in instilling the values of character, discipline and hard work in the youth along with shaping them into dynamic and responsible citizens of the country has been well recognized. Thus, NCC has played an important role in the all-round development of the youth of our country and in grooming future leaders in all fields. The well-designed curriculum of NCC consisting of both theory and practical classes relating to the Military and Non-military subjects, adventure training, cultural and social activities etc. is of immense value to the NCC cadets both boys and girls.

Keeping all these positive things in view, the NCC unit of Dhing College was established under the 8 Assam Battalion NCC, Nagaon many years ago.

At present, Mr. Samiran Kalita has been serving the unit as CTO. The Dhing College NCC unit has a total strength of 50 cadets combining both boys and girls. Our College has good reputation in 8 Assam BN. NCC as several cadets have participated in different All India & State level camps including Republic Day camp. Locally our cadets have regularly participated in the centrally organized Republic Day and Independence Day celebration at Dhing Revenue Circle Office Campus.

◆ NATIONAL SERVICE SCHEME (N.S.S.)

The National Service Scheme (NSS) is an Indian Government sponsored public service programme conducted by the Ministry of Youth Affairs and Sports of the Government of India. The scheme was launched in Gandhiji's Centenary Year 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges and Universities working for the betterment of the community

people. The Programme aims to instil the idea of social welfare in students and to provide service to society without any sense of biasness. NSS volunteers work to ensure that every one who is needy gets help to enhance their standard of living and leading a life of dignity. In doing so volunteers learn from people in villages how to lead a good life despite scarcity of resources. It also provides help to the victims of natural and man-made disasters by providing food, clothing and first aid. Dhing College NSS Unit also been doing remarkable work for the needy people. The present Programme Officer (PO) of Dhing College NSS Unit, Dr. Mukut Moni Saikia, invites all the aspirant students to join the same.

◆ DBT STAR COLLEGE SCHEME

The Four Science Departments of Dhing College i.e., the department of Botany, Chemistry, Physics and Zoology received a grant from the Department of Biotechnology, Ministry of Science & Technology, Government of India, Under the DBT Star College Scheme in the year 2023.

DBT Star College Scheme aims to improve the skills of teachers by organizing faculty training and improving the curriculum. This scheme emphasizes practical training to students by providing access to specialized infrastructure. This scheme has been divided into 2 categories – strengthening support for UG education and providing star college status. Another objective of this scheme is to strengthen the academic and physical infrastructure and to achieve excellence in teaching and training.

DBT Star College Scheme will enhance the quality of learning and evolve original thinking through hands-on experience to experimental work and participation in summer schools. Networking will be promoted to strengthen ties with neighboring institutions & laboratories. Special training programmes will be conducted to optimize the capabilities of faculty. The capabilities of core instrumentation resources will be raised by the procurement of new equipment and up-gradation of existing facilities. Students will get exposure to research laboratories and industries within the country. New standard operating procedures (SOPs) / kits will be devised for interested students who want to enhance their learning. Better library facilities would be provided to students and teachers.

Under the DBT Star college scheme, the four science departments carried out many activities such as outreach programmes on science in many schools both in the suburban areas in and around Shillong and also in rural areas located in different districts. Some of the activities include seminars, workshops, science exhibitions, science quizzes and practical demonstrations of simple scientific experiments performed by the students from the college. Special lectures by renowned scientists, student projects and other science-related activities were organized for the students in the college. Study tours were also undertaken to renowned institutions outside the state to give exposure to the students.

The College does appreciate and express gratitude to the Department of Biotechnology, Ministry of Science & Technology, Government of India, for their kind help and grants granted to the four Science Departments. This scheme has immensely benefitted both the teachers and students of this College.

◆ STUDY CENTER OF K.K. HANDIQUE STATE OPEN UNIVERSITY

A Study Centre of K.K. Handique State Open University was established in this College in 2007 with a view to providing opportunities for higher education to a large segment of the population including those who could not pursue or prosecute formal education in the appropriate time because of diverse obstacles but are desirous of undergoing higher education. Dhing College study centre has been offering the following Degree Programmes–

- Diploma in Yoga (Kayayogi)
